

Practice Gear Details / Instructions '23

- We will all order practice gear grades 9-12. If money is an issue we will work out a payment plan.
- The Polo is optional. Sophomores through Seniors do wear the polos on varsity game days so Sophs through Seniors will need to continue using their current polo or purchase a new one. Freshmen will not need a polo until they are Sophomores but may purchase one if desired.
- Seniors will have their choice of jersey numbers and the Juniors will be able to pick their number following the Seniors. **Sophomores will be assigned a jersey number.** This will happen fairly soon. Put down (on your sheet) the jersey number you have chosen (Seniors & Jerseys) or have been assigned so it reflects your actual number. **Freshmen will not get a jersey number assigned until right before the season. I would recommend not putting a number on your gear.**
- You may purchase extra t-shirts, shorts, etc. for yourselves or your family members.
 - Prices for extra gear:
 - T-shirts - \$10
 - Shorts - \$15
 - Socks - 49
 - \$2 more for 2XL & Up
 - \$4 more for numbers on shirts or shorts
- You must turn in this form to order your gear so please write legibly. There needs to be no doubt about what you put down for #, quantity, size etc. ABANTE will put together a personalized bag of your gear based on what you have on your sheet. Make sure it is accurate.
- You may pay in CASH, by CHECK, or via VENMO
 - Venmo # - **@Islander-Football (if you choose the Venmo payment option, please denote that somewhere on the sheet)**
 - **Checks need to be made out to GISH Football**
- **These Practice Gear Order Forms Are Due - JUNE 2nd (or sooner)**
