BAND OF BROTHERS

Welcome to Grand Island Football!

Our mission statement: Developing Men of Character

We want nothing but the best for our athletes. Our staff is committed to making your sons more than just football players. The process of learning to suffer along with like minded peers will build strong, independent, and principled young men into great fathers, husbands, sons, brothers and community members.

**Blue Collared and GI
Tough Men will graduate
from Grand Island
Football.**

Our culture is extremely important. We want to establish that winning isn't the only thing we are trying to achieve.

We start with our foundation:

- **Honor** – Integrity and truthfulness in one's behavior
- **Courage** – The quality of will that enables a person to confront fear or danger regardless of the consequences
- **Commitment** – An obligation to fulfill a promise, act, or duty
- **Loyalty** – The condition of being faithful or devoted to others

Next we build on our foundation with 4 pillars:

- Consistent
- Attitude
- Body
- Language
- Effort

Finally we put our roof on top with The Big 3:

- **Do what's right**
- **Do your best**
- **Treat others with respect**
